

HMM-262 Reunion 2025 Schedule of Events

We will be able to watch the Blue Angels practice from our hotel Sep 9, 10. The Blue Angels' 2025 practice schedule is online; just Google it.

We have scheduled a bus trip on Sep 9 to the Naval Aviation Museum. It's about a 45 minute trip, longer if traffic is bad; a huge PITA even if you have your own car.

We will have a business meeting on Sep 10 to discuss the future of HMM-262 annual reunions. Things can't go on as they have been unless some younger Iraq and Afghanistan guys step up to help. The Vietnam guys are done for. We may have to go with just meeting every two years in conjunction with Pop-a-Smoke. That's a lot easier than starting from scratch in the off years.

The rest of the time is yours to fill as you please. In Pensacola the problem isn't finding something to do; it's choosing from the vast array of things you could do. For ideas just Google "things to do in Pensacola."
